

RECRUITMENT SERVICES

ABOUT US

Heavenly Touch Care is a healthcare staffing service established in the United Kingdom that specialises in the sourcing and recruitment of qualified and competent healthcare workers for the commercial and public sectors. We are hard-working, imaginative, and extremely caring.

Our customers appreciate our candid, unbiased advice and are satisfied with the quality of our work and the professionalism of our employees. We are a group of lively, energetic, enthusiastic, focused, driven, and action-oriented entrepreneurs.

We are driven by technology and are unafraid to challenge established norms. We provide a welcoming environment, respect and compensate our employees, and are committed to professional advancement. Whatever service we provide, our top priorities are the safety of our candidates and the honesty of our clients.

How We
Started

OUR SERVICES

TEMPORARY STAFF SOLUTIONS

We provide a reliable supply of qualified workers to meet the ever-evolving requirements of our customers, who include NHS Trusts, Health Boards, and commercial companies that provide health and care services to patients.

Because we are authorised members of all of the major temporary staffing frameworks, we are in a position to be able to accomplish this goal.

Our customers receive large quantities of healthcare experts that are exceptionally qualified thanks to the fact that we supply them.

Our platinum compliance standards include support from a network of resource specialists in the United Kingdom who are available twenty-four hours a day, seven days a week. This assistance is available whenever it is needed.

Our customers have a high regard for the independence of our service. It ensures that any issues about the safety of staff members and any difficulties with communication are documented, dealt with, and written down in a fashion that can be examined and that they are available for public inspection. Moreover, it ensures that the public is aware of all of these details.

OUR SERVICES

PERMANENT STAFF SOLUTIONS

Heavenly Touch Care Recruitment Services can give you a personal price quote because we are dedicated to finding you reliable permanent staff members who can provide high-quality healthcare services.

We have a highly talented and experienced team of experts never fails to meet or exceed expectations while doing their work in a way that is compassionate, respectful, and dignified at all times. Most importantly, we know how rotas affect your department's costs and budgets.

Our goal has never changed, and that is to meet the needs and expectations of providers of all sizes, whether they are small or large.

During the course of the process of permanent recruiting in healthcare settings, our staff is dedicated to locating answers to the recurring issues that come up along the way.

We always aim to help people when they need it most, and the fact that we have been able to do this well has helped us move up in the company.

Our team of specialists is always ready to provide individualised guidance on any and all aspects of the healthcare sector, and its members have extensive knowledge in these areas. We are a trusted group of experts in our field who have been given the skills and tools they need to provide services of the highest quality every time.

We provide friendly and knowledgeable healthcare staff.
